

AIS ALUMNI SURVEY

Greetings from the faculty and staff of the American Indian Studies.

Since 1982 when the Master of Arts in American Indian Studies was created, we have seen over 200 students graduate from the program. We are very proud of the accomplishments of our graduates and look forward to any news and updates that we receive.

Please take the time to fill out the questionnaire below, if you have not already done so, and let us know what you are doing. Also, if you know where any of your classmates are and what they are doing, please jot this information down as well. We want to make this process as easy as possible, so if you wish, you can send this information to Bev Larson via e-mail to <mailto:aisp@email.arizona.edu>
